Request for assistance in drafting claims

Dear Youpaporn Nilanont :

May I please ask for Your assistance in writing and drafting new claims?

Thank You for taking the time to discuss our options on the phone today. As mentioned, we would appreciate it very much if You could help us write one or two claims that would be acceptable.

I understand what You say that it would usually be difficult for an examiner to write claims, since it is the inventor that best understands the invention. But, I have reviewed Your arguments in the last and final office action, and it is clear to me that You not only are a thorough examiner, but also that You have a strong understanding and depth of knowledge in the subject matter (ref. VRML, JPEG/ISO 10918-1, PNG/RFC 2083, UDP/RFC 768, 3DS, and DirectX). I therefore wish to ask for Your assistance to help us draft new claims. You may of course base the claims on anything You wish, and for example our previously proposed claims 1 to 30 as a proposed starting point.

Please feel free to contact me by e-mail ole@gridmedia.com, by phone (415) 283 9182, or by postal mail, any time.

Yours sincerely,

Ole-Ivar Holthe
